

Rooted in the boundless love of Jesus Christ and guided by his commandment:

“I give you a new commandment, that you love one another. Just as I have loved you, you also should love one another. By this, everyone will know that you are my disciples, if you have love for one another.” John 13:34-35

We as members of the Christ Church of Milwaukee, Wisconsin, United Church of Christ, value a welcoming and diverse community. We are an Open and Affirming (ONA) church, believing that each individual is created in God's image.

We affirm that all people, regardless of their sexual orientation, gender identity, or gender expression are beloved children of God. We encourage everyone to live authentically and fully as the unique individuals God created them. We affirm the validity of diverse sexual orientations, gender identities, and gender expressions. We commit to being advocates for equality and righteousness in our church and society.

Through this covenant, we affirm our dedication to being an Open and Affirming church, reflecting Christ's love and grace in every aspect of our ministry. May our lives and actions be a testament to God's unwavering love for all people.
